

'Shaping lives, building futures to be the best you can be.'

### News

Congratulations to our Year 6 pupils, who have completed their SATs testing this week. They have shown a real determination and resilience throughout each test and we could not be prouder of them. Well done Year 6, you have given it your all!

For the next 2 weeks, all the Year 2 children will be completing their SATs testing set by the Government. Good luck to all our Year 2 children! You will be amazing!

### Attendance

**Whole School Attendance** – 95.3%  
**Highest House** - Tornado Red - 96.6%  
Please ensure that your child is in school on time ready for the start of the school day. Gates open at 8.35am, with classroom doors opening at 8.40am and closing at 8.50am - your child will then be asked to enter school through the main office doors so that teaching can commence in the classroom. Children who are persistently late into school, will receive an Early Bird phone call from the Attendance team at 8.00am to ensure children are awake and will be in school on time.

### Road Crossing

Ray does a fantastic job in a morning and afternoon to ensure that our children are crossing safely. He does this in all weathers. Please make sure that, no matter what the weather, you are crossing the road with Ray. It would be upsetting if a child was hurt because they have not crossed with him in the rain.

Please think safety first.

### Medication in school

If your child requires medication during the school day, this must be handed into the Main Office before school and should be collected at the end of the day. A form must be completed on the first day it is to be administered and we can only administer pre-scribed medication that is 4 times per day.

### Year 1 Super Hero Day

On Thursday 25th May, Year 1 will be holding a Super Hero Day to celebrate finishing our Novel Study, Traction Man. The Year 1 children are invited to come dressed as a Super Hero - this can be an everyday hero or someone they think of as a hero.

### Ready

Be ready for school, be on time and dressed appropriately with the items you need for the day.

### Respectful

Listen to others, use appropriate language, look after the building and objects within. Keep hands and feet to yourself.

### Safe

Follow the rules for health and safety for yourself and others. Be in the right place at the right time.

'Shaping lives, building futures to be the best you can be.'

## Safeguarding

Parenting is a very rewarding but difficult job, especially if we are struggling with our child's behaviour. The link will take you to information and support that can help - just click on the picture.

## Doncaster Night at the Museum

Ever wondered what happens when the museum closes for the night? Join us for the **Doncaster Remake Learning Festival launch event** – our very own 'A Night at The Museum'! Think dinosaurs, fossils, science shows, real life reptiles & exhibits coming to life!

This **FREE family event** is taking place at Danum Gallery, Library and Museum on **Thursday 25th May, 4pm-6.30pm**. Click the link below...

## Safeguarding

Have you left an abusive relationship?

The Doncaster Survivor Liaison Service runs weekly groups in the community and online for survivors of domestic abuse.

The Survivor Liaison Service is a service for survivors who are no longer with the person who harmed them or has any ongoing criminal justice system action and those who are not working with another domestic abuse professional. We can provide ongoing emotion support after abuse and support for those who may be navigating the Family Courts

The peer-led support groups aim to bring survivors with lived experience of domestic abuse together to help inspire and empower each other in living a safe life free from abuse. Groups are available for women only, men only and members of the LGBTQ+ community. Peer one-to-one support is also available through the Survivor Liaison Service.

## Who can help you in school?

Just a reminder - on the playground each morning there are a number of adults who can support you with any questions or queries.

If you would like to find out more information about support groups or feel that you would benefit from the support of a survivor liaison worker more information can be found at:

Miss Allison	Attendance Lead	Front gate am
Mrs Wiltshire	Child and Family Practitioner	Front gate am
Mrs Leigh	Child and Family Practitioner	KS2 playground am and pm
Miss Parker	Child and Family Practitioner	Front gate pm

## Council Survey

Residents, businesses and visitors are being asked for their opinions on powers designed to help make Doncaster's city centre a safe and attractive place to visit, shop, work and live. A public consultation has started

**The consultation will remain open until Tuesday 27th June 2023.**

Please take a few minutes to complete the survey for Doncaster Council about our city centre.
